EXHIBIT B

Technical Qualifications (TQ)

Please answer the following questions of how your firm will organize and manage this contract and how work will be performed by your firm per the scope of services/work contained in the bid documents.

- Do you plan to use swing stages and ropes?
- What is the proposed timeline to complete this scope?
- How many man hours will you dedicate to this scope?
- How many people per day do you intend to use for this scope?
- When is the first date available to mobilize for this scope?
- If required, do you have the capacity to work after hours/night for inside work?
- Do you understand the window cleaning schedule is solely dependent on the event building schedule, which may require work arounds to limit disruption to Music City Center's attendees and guests?

Provide a list of equipment owned that is required for this scope.

Provide a list of rental equipment required for this scope.

Provide the name of the Contract Manager and Field Superintendent to be assigned to this contract, if awarded, and include the following information:

- Technical Training/Educational background
- Work experience

Provide 3 projects/contract experiences similar to Music City Center's Window Washing Services that have successfully been completed within the past five (5) years from issue date of bid.
